

TORINO

TORINO has been one of our bestsellers for more than ten years. Premium lighting quality, an easy installation, low maintenance and maximum efficiency are the hallmarks of this flawless ellipse. Designer Andreas Tobler's creation combines technology and aesthetics in perfect harmony. Thanks to the powerful LED boards and the diffuser with its accomplished elliptical shape, TORINO creates shadow-free, homogeneous illumination over its entire surface. It is available as a ceiling and wall mounted luminaire and as a pendant luminaire and thus fulfils various requirements in lighting design. Without doubt, TORINO is a timeless classic of highest quality.
