

## Prestige

A track-mounted spotlight has to be pretty unique to deserve being called "Prestige". And this luminaire is practically unparalleled when it comes to glare control. But that is not all. Added to that is its high efficiency, the fact that it can be easily and flexibly adjusted and the reflector replaced without

tools. For sure your fashion display deserves the best possible light. Using this spotlight with its high-quality, sparkling white light, your customers will enjoy an unforgettable shopping experience.

### FEATURES

For low ceiling heights (e.g. smaller boutiques)  
 Very narrow beam version available, ideal for accent lighting  
 High luminous efficacy of up to 103 lm/W  
 Passive cooling  
 Flexibly adjustable (tiltable 90°, rotatable 360°)  
 Glare-free

### SPECIFICATIONS

High-quality die-cast aluminium housing  
 Reflector in aluminium  
 Beam angle: 15°, 24°, 36°, 60°  
 Colours: white  
 ON/OFF

### TECHNICAL DATA

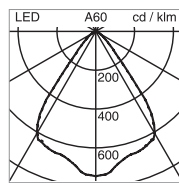

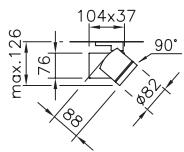

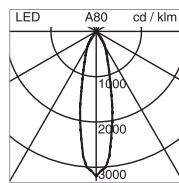

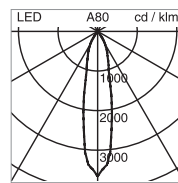

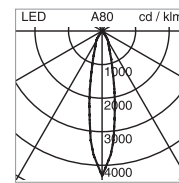

System power	20 W
Luminous flux of luminaire	2050 lm
Colour temperature	3000 K
Colour Rendering Index (CRI)	>85
Life time	L90 50'000h
Protection class	I
Ingress Protection	IP20
Colour tolerances	MacAdam 2

### APPLICATION AREAS

**Shop & Hospitality:** retail spaces, exhibition spaces

IP20 230V

**A**

**B**
